Here you can check if the dates take place.

FOR ANOTHER YEAR COLOGNE HAS A REGULAR SWIMMING EVENT FOR TRANS AND INTER FOLKS IN A SAFE SETTING.

One Friday every month the Genoveva pool in Cologne-Mülheim is reserved exclusively for the trans and inter community. We alternate dates for „trans & inter only“ and for „trans & inter & friends“.

On „trans & inter only“ dates everyone who positions themselves as trans and/or inter is invited, including everyone who is nonbinary, agender, ... , folks who do not use the label trans, everyone who is uncertain of their gender, and those fed up with gender boxes.

On „trans & inter & friends“ dates trans and inter folks are invited to bring their cis and endo friends.

Trans and inter folks who require assistance by cis/endo people for physical and/or psychological reasons are welcome to bring these on the „trans & inter only“ dates.

During pool times the changing rooms, showers and toilets will not be separated by gender. There are individual changing rooms as well as a possibility to shower alone.

We want everyone to feel comfortable during our swim event.

You are welcome to dress as you like as long as the fabric is „swimsuit material“. Please contact us in case you have any questions about this.

The building has a steep ramp for step-free access. The pool has a wheelchair accessible changing room, shower, and toilet. To enter the water, a four-steps stair can be used. Please note that there is no shower wheelchair available. There are heated stone benches and a (textile) steam room.

We have drafted guidelines for respectful and considerate interaction. This, and any updates, can be found at:

If you would like to participate but do not know how to swim, please send us an email in advance.

If you have any questions or comments, or would like to help us organize the swim event, we are happy to hear from you via an email to:

We look forward to swimming together!
